SUPER SCRAPE PARQUET TILE

- Molded Nitrile Rubber with 20% post consumer recycled content
- Parquet pattern with molded bi-level surface effectively removes and stores dirt and sand beneath shoe level so it cannot enter the building
- First defense scraper tile can be used in conjunction with Scraper/Wiper and Wiper mats and tiles for a highly effective preventive maintenance system.
- U.V. resistant, anti-static and certified slip resistant by the National Floor Safety Institute
- Meets or exceeds Class 2 rating as specified in NFPA Life Safety Code 101 and IBC 804.2 Classification
- Recommended for commercial buildings, grocery stores, hotels, restaurants, healthcare facilities, office buildings, and more
